THE WORKSHOP

Bloom Fertility Centre is a recently started initiative with a mission to enable the joy of parenthood in every family. As part of the quarter-century old K.M. Speciality Hospital, the Fertility Centre has been evolving as a path-breaker in fronts more than one. And, this time around, the Centre conducts a 3-day Workshop on "Introduction To Fertility Management Counselling". The Workshop will facilitate Experiential Learning for all the attendees through its multi-formatted sessions.

During the course of its infertility treatment, a couple undergoes a stressful phase of psychological trauma. The need for addressing it is more imminent than ever and has not been addressed adequately. Such an initiative is taken up by Bloom Fertility Centre, for the first time in Chennai's medical history.

Bloom Fertility Centre invites Medical Professionals, Psychiatrists, Psychologists & Psychological Trainees from Colleges across the city for this eye-opener workshop scheduled on the 7TH, 8TH and the 9TH of January 2011.
